**Topic: How School Fosters Human Excellence through Conscience – 3 Ways**

The Class Assembly of XI-D was held on 11 July 2023, in the resplendent assembly ground. The topic of the assembly was “How School Fosters Human Excellence through Conscience - 3 Ways”.

The programme commenced with the DAV Gaan followed by Gayatri Mantra. The Masters of the Ceremony, Shreya and Kevinash, joyously began the show. After a brief Welcome Address by Tulasi Krishnan, Harish was called to provide a prelude to the assembly.

The Twinkling Twins Thrinayani and Thrijagathi set the stage ablaze with a **Villu Pattu** in English, in which they cognized the different ways in which our school instils Conscience in us : Moral Science, Vedic Havans and Geeta Chanting being a few among many.

‘**The Court on Water**’, was an enactment of a shipwreck. The students had been assigned the roles of certain highly successful and renowned people of our generation and their job was to present a case convincing enough to get them a second chance in life. This medley of comical imitations, convincing speeches, and colourful properties had the audience cheering.

**Conundrum**, a conceptual dance highlighted a human being’s good and bad conscience, each struggling for dominance over the other.

**Pantomime**, portrayed various ethical dilemmas with a poetic narrative. Each scenario was followed by an interactive question and answer session that tested everyone's critical thinking skills. The audience wholeheartedly participated in this session, and expressed a multitude of thoughtful answers.

**Entertaining Dance**, came next which served as a brilliant filler. The feet in tandem were much enjoyed and the gathering was invigorated. After another rapid fire question and answer session, involving black and white cards (which were distributed to the audience beforehand), Sanchana and Saadhana delivered a brief summary of the program.

### **Decoration and Invitation:**

The invitation was themed as our school's assembly ground and stage.

It was designed electronically with a remote control which could open the invitation. Stage was filled with the conscience themed drawings well painted and contributed by the students.

The class received a plethora of positive feedback from the parents and grandparents. After the Vote of Thanks by Vandana, class XI-D signed off with much pomp and splendour.

The adaptability and teamwork along with learning at every step, helped in bringing to light, every student's ability, and created a deep bond between the members of the class.
