

VEDA VYASA D.A.V. PUBLIC SCHOOL, VIKASPURI, NEW DELHI

VVDAV/VP/18/08

Date : 09-07-2018

Dear Parent

It's been a stimulating summer break and now it's time to hit the refresh button of our lives and rejuvenate ourselves for the year ahead.

Once again our students have made us proud with their commendable performance in the CBSE Examination – 2018. I congratulate the students and the teachers for the good result and thank the parents for their constant cooperation.

	: Jatin Bhasin - 99
	: Sejal Kardam - 99
	ICT : Himanshi Kharbanda - 99

The school is privileged to be selected by Niti Ayog to set up the ATAL Tinkering Laboratory (ATL). It is a golden opportunity for students to explore, innovate, create and ignite their curiosity and imagination.

The VVDAV Tinker Club is gaining Hands on Experience through training sessions in the school by expert trainers and the students will soon gain pleasure in playing with science.
