VIRTUAL MORNING ASSEMBLY

Morning Assembly is one of the several important pieces in our culture and community building. It builds the behavioral field of a child .Morning assembly unites the children and inspire them towards our cultural heritage through their chanting of pledge, gayatri mantra, prayer and patriotic songs. It encourages students to be involved in different house activities like quiz, news reading, and saying thought of the day, delivering speech or topic, using new word and telling rhymes. Celebrating birthday and other special occasions add colour to the morning assembly. Above everything it is the place where a child everyday chants the National Anthem and DAV Anthem to imbibe the feeling of love and reverence for its motherland and school.

Virtual Hawan

To inculcate the values of performing Hawan and the habit of meditation—our students participate in online Hawan on every Friday , during their Activity Period , under the guidance and supervision of Hawan In –charge .
