

# PHC Sadar Block Jamhore, Aurangabad (Bihar)

Ref No. 300

Date.. 07/06/2019

As per my visit(As **MOIC** Sadar Block PHC Jamhore Aurangabad):-

- There is a proper sewage and drainage system in the campus of D.A.V. PUBLIC SCHOOL DAYANAND VIHAR AURANGABAD.
- The school campus through out inside and outside is neat and clean and healthy atmosphere all around it.
- There are separate urinal and lavatories for boys and girls in each floor and these are neat and clean.
- There are four dustbins on each floor available.
- There are proper arrangement of drinking water available on each floor through the taps.
- There is R.O Plant with cooling system is at the top school building by which six taps are connected on each floor to supply the drinking water.
- To protect from thundering two lightening conductors system are fixed at the top of school building.
- There are fire extinguishers have been placed at different places to protect from fire and other natural calamities.
