India AI Impact Festival 2024

Accelerating Innovation through AI with Purpose

Introducing the India AI Impact Festival, a unique national-level platform for next-gen technologists to showcase their AI/AIoT-enabled solutions, and for educators and institutions to share their best AI/AIoT skilling practices.

Initiated in collaboration between CBSE, Ministry of Education and Intel India, with guidance from Atal Innovation Mission, NITI Aayog, the festival aims to nurture a future where technology becomes a catalyst for positive changes, and fosters innovation, creativity, and problem-solving skills, using AI tech and social skills in an inclusive way.

Who Can Participate?

Students and Youth can participate in the Impact Creators Category

Educators & Teachers can participate in the Impact Shapers Category

School, Educational, Vocational & Skilling Institutions can participate in the Impact Nurturers Category

How to Participate?

Step 1 - Develop an AI/AIoT-enabled social impact solution/project

Step 2 - Submit the solution/project as per the format available at <https://aistudent.community/> along with a 2-minute video presenting the project details.

Step 1 – Develop a poster outlining the best practices implemented to enhance AI teaching-learning experiences using the format available at <https://aifacilitator.community/>

Step 2 - Submit the poster at <https://aifacilitator.community/> along with a 2-minute video elaborating on your AI/AIoT experience.

Step 1 – Develop a poster outlining the AI journey and best practices implemented to enhance AI teaching-learning experiences using the format available at <https://aifacilitator.community/>

Step 2 - Submit the poster at <https://aifacilitator.community/> along with a 2-minute video detailing your AI/AIoT journey and its impact on students.
