f) Any innovative/extraordinary activity/attempt during COVID-19 period:

Our students virtually celebrated Global Hand Washing Day by demonstrating ways to wash hands appropriately. Innovative ways and methodologies were adopted to enhance understanding of concepts through subject enrichment activities where students virtually explained their work in form of model making and experiential learning activities. Our students also appreciated and expressed their gratitude towards Social Workers, Doctors, Nurses and Local Police by giving them handmade greeting cards who were always available for help during lockdown.
