**Dear Staff Members,**

We would like to remind all faculty members of the importance of maintaining a respectful and positive environment within our school.

Please adhere to the following guidelines when interacting with students:

- Always use polite and use respectful language when addressing students. Avoid using harsh words, sarcasm, or derogatory remarks.
- Under no circumstances should physical discipline, such as beating or any form of corporal punishment, be used. Positive disciplinary methods and open communication are encouraged instead.
- Listen attentively to students when they have concerns or questions. Show empathy and constructively provide guidance.

Thank you for your cooperation and dedication to our students' well-being.
