

OUR LITTLE BRIGADE SALUTE ALL THE CORONA WARRIORS ON
THE OCCASION OF LABOUR DAY

“A hundred times every day, I remind myself that my inner and outer life depend on the labours of other men, living and dead, and that I must exert myself in order to give, in the same measure, as I have received and am still receiving”.

If we are receiving our **essentials** in our area today, it’s because of someone who toils day and night to bring them to our doorsteps.

If we find **cleanliness** and **hygiene** maintained around our houses, it is they who remove the last speck of dust from our streets.

If we find the garbage **lifted** from our houses, it’s they, who move from house to house, carrying their lives on their sleeves in these turbulent times, leaving behind a satisfaction of their arrival each day.

If we find the premises of our buildings/offices **safeguarded**, it is due to the presence of these silent workers.

KBDAV-7, Chandigarh encourages its learners to express their gratitude to all the COVID warriors and its Family of Class IV employees, without whose support things are bound to collapse. Students of Class XI and Class II shared posters and cards online to express their heart-felt gratitude to these warriors on the occasion of Labour Day.
