Public Alert

1. As per NEP 2020 recommendations, the Board had initiated Competency Focused Education and Assessment in its affiliated schools and has recently released practice papers in all major subjects of Classes X and XII.
2. These practice papers have been developed to facilitate the students in solving more application based questions of higher order thinking skills and enhance conceptual understanding of topics.
3. However it has come to the notice of the board that schools and students are being asked to access the CBSE practice papers from certain private publisher's sites. The public is advised not to be misled by any claims and promotions.
4. It is further clarified in public interest that these papers are available at the official CBSE website: <https://cbseacademic.nic.in//index.html> and can be downloaded free of charge.
