

D.A.V. PUBLIC SCHOOL, BHATGAON

Distt: Surajpur (C.G) - 497235

Annual Report: 2021-2022

Brief History

DAV Public School, SECL, Bhatgaon was set up in 1997 due to a joint agreement between DAV College Managing Committee, New Delhi, and SECL Enterprise. The school started in a small building of 6 rooms with 150 students from class LKG to III in 1997. The small DAV School marched ahead and reached to a full-fledged Sr. Secondary School by 2004. Classes from LKG to XII in Science & Commerce stream are running at present. There are 40 sections in all accommodating nearly 1598 children in the school. The school is being governed and controlled by DAV College Managing Committee, New Delhi; however the day-to-day management of school including financial control vests with the Local Managing Committee. The school is affiliated with C.B.S.E, New Delhi. Currently the school is going through its **Twenty-sixth** academic session, which started from 2nd April 2021 and will completed on 31st March 2022.

Academics

Coming to the academic aspect of the school, in 2020-2021, In Class X CBSE Board examination, like previous years we have given 100% result. More than Thirty-two (32) students secured 90% and above. Priyanshu pandey of class X has secured 1st Rank by obtaining 97% marks. In Sanskrit subject 16 students got 100% marks. In Class XII CBSE Board Examination, we got 100 % result with most of the students in First division. Twenty three (23) students secured 90% and above. Vishakha Singh Secured highest 96.60% in class 12th Commerce where as Master Ashutosh Singh secured highest 96.60% in Science stream. Top Rank holder Ashutosh has obtained 100% marks in Music-subject. Many of our students got selection in prestigious Engineering & Medical College during the session Year. We are expecting better result this year also.

Value Education

To develop values among students, the school has undertaken many activities for students like daily Havan community prayer, cleanliness habits, community service, first-aid programme, celebration of national days and festivals, playing dramas depicting values etc. It helps the students to realize the importance of moral values which is essential for stability and progress of society. Not only that it makes the students to understand the norms of conduct such as respect and obedience, affection and consideration for others, discipline and civic sense, honesty in work, cooperation etc. For developing such moral and ethical

values among students our **value development** courses by inviting learned & professional people like Swamy Tanmayanand Jee, sisters from Brahma Kumari centre, Ambikapur on regular occasions.

Curricular & Co-curricular Activities

For all-round co-curricular development of children we have divided all the children of school into four houses namely: - **Shanti, Shakti, Sewa & Smriti**. Literary, Cultural, Sports and games competitions go on throughout the year among students of these four houses. Competitions of various kinds were conducted during this year also. The winning students being awarded certificates and prizes. We are also preparing our children to compete in the state level and National Level Competitions. In these category, students of our school participated in the prestigious National Talent Search Examination, National Science Talent Search Examination, English proficiency and G.K. Test, National Mathematics Olympiad, Global Mathematical Talent Search Exam, English Language Test, Vigyan Paheli Prtiyogita conducted by SECRT, C.G etc. Those who came on merit will receive their certificates and medals.

Note : Above-mentioned 4 students selected for District level competition.

Cultural Activities

Cultural development of the children forms an integral part of DAV System of Education. As such we are training our children for exploring their inner capabilities in this field. Inter House Competitions are being conducted on every Saturday in school. Many students take part and display their inner talent.

Our students got position in Gazhal, Kawali, Patriotic Song, Quiz, Rangoli and Hindi Debate in the state level Inter School Cultural competition.

Parent Teacher Liaison

In our DAV System of Education, parents have a pivotal role for the all-round development of their wards. Hence the school maintains a close relation between Parents and Teachers. We are regularly conducting class wise Parents-Teachers' Meet where Parents and Teachers sit together, discuss and analyze all the difficulties in the teaching learning process and take necessary remedial steps to rectify them. Almost all the parents are co-operating us whole-heartedly in developing this school. Occasionally we also conduct General Parents Teachers Meeting in which all type of general problems are discussed and necessary remedial steps are taken.

Professional development of Teachers

We have 53 highly qualified, experienced and trained teachers in this school. The staff members are dedicated and working united with full team spirit to impart quality education to the children of SECL employees and outsiders. To improve professional growth of teachers they are being given regular training on a planned manner. In 2021-22, all the 53 teachers were deputed to attend 6 days Orientation programme in their respective subjects, conducted by DAV College Managing Committee

Other Facilities

Our teachers are putting extra efforts beyond school hours for the fast progress of slow learners due to which there has been remarkable progress in the academic standard of our children. We have 18 digital class rooms through which our children are getting latest methods of teaching learning process. These classes were introduced from July 2014. To achieve fast progress of students, all the three sections were reshuffled and desired teaching learning was adopted from the year. This new system was introduced for the first time and we have found better progress for all section of students.

We have two well-equipped Computer labs in our school. There are 28 systems to provide practical computer knowledge to our school children. We have got Internet facility in the school due to which our students are updated with the latest developments around the globe.

We are laying equal stress on proficiency in both English and Hindi languages. In addition we are encouraging children in the field of Sanskrit. For all-round development of children we guide them in hobbies and co-curricular activities like painting, gardening, clay modeling, etc. We are also preparing our children for public speaking, drama, dance, debate, wall magazine, social service and computer usage.

Our school campus has been covered under CCTV Surveillance. 64 CCTVs have been fitted in class rooms, corridors and ground due to which we continuously watch the activities of students and outsiders. It has helped in close supervision of teaching learning process and safety & security of school children.
